

QUALITY AND ENVIRONMENT POLICY

High quality of produced transformers and chokes and our customer satisfaction are our essential goals.

- **We provide for our customers full maintenance service of our products**
- **We define products quality level together with our customer**
- **We apply continuous improvement of Integrated Management System ISO 9001 and ISO14001 according to legal requirements including external and internal factors and conditions and risk analysis**
- **We strive to improve our staff competence**
- **We do continuous monitoring of**
 - **our customers satisfaction level**
 - **products quality level and environmental aspects**
- **We implement modern management methods including process approach in order to improve quality of produced transformers and chokes and optimize impact of our processes on environment**

Plant Manager

A blue ink signature of Guillaume Breard is written over a blue rectangular stamp. The stamp contains the text "Guillaume Breard" in a serif font, followed by "DYREKTOR" and "MYRRA POWER Sp z o.o." in a smaller, sans-serif font.
